

WIDR WEDNESDAY

12.7.22

Message from Cully:

Hello friends and listeners! Wishing all the love and chill vibes towards those suffering before finals. Best of luck to all! We're wrapping up the year here at WIDR and looking at what went well, and what didn't. We're super happy with the amount of participation here at the station, it is completely different to where we started out. For that, we are grateful. However, we need not rest on our laurels! There is still so much more to be done. We have big plans for 2023 with the goal of being involved in the community and local music as our #1 goal. In the meantime, we have a Open Doors Meeting: "Ahem Ahem "this Friday at 1p! As well as open spots on air for any prospective on-air personalities. If you're looking for live music performance: please reach out to widr.promotion@gmail.com to perform live in our studio! Wishing warmth and love to all! Peace out.
